

Junxiong WANG

PhD Student

Mail address: junxiong.wang@insa-lyon.fr

Phone number: +330750798544

Office address :

Bâtiment Blaise Pascal, 7 avenue Jean

Capelle 69621 Villeurbanne

Research activities / interests

Keywords

Semi-crystalline polymer, mechanical properties and microstructure, molecular dynamics simulations

Ongoing projects

Thesis: Molecular dynamics simulation of semicrystalline polymers: from molecular topology to mechanical properties

Supervised by Olivier LAME, Julien MORTHOMAS

Institutions as staff member

-

Institutions as student

- INSA Lyon, MATEIS-PVMH

Teaching activities

-

Administrative responsibilities

-
